

To: All Practices in Surrey and Sussex LMC

21 September 2017

Dear Colleagues

Surrey and Sussex LMC Observer Scheme

I am writing to all General Practitioners and Practice Managers to highlight a newly established scheme to enable local General Practitioners and Practice Managers to attend, with an honorarium, one meeting of their Local Medical Committee.

As you will be aware, the LMC plays a key role in representing the interests of General Practitioners, and, their Practices, to a range of organisations, including CCGs, NHS England and Area Teams, and Public Health Teams.

The aim of the scheme is to invite local colleagues who may be interested in their LMCs to attend one meeting. In recognition of the pressures of current General Practice, a standard honorarium of £262.50 for GPs, and £175.50 for Practice Managers, as well as travel costs would be paid.

The LMC is particularly interested to invite local General Practitioners, whether partners, salaried doctors, or locum colleagues, who may be interested in joining their LMC and would like the opportunity to experience a meeting. All Observers would be very welcome to participate in discussions.

The LMC will fund one GP, and one Practice Manager for each meeting, and will hold a waiting list if you wish to book in advance or express an interest when a space is available.

If you would be interested in attending a meeting, please contact:

marianne.pumphrey@sslmcs.co.uk
jane.forster@sslmcs.co.uk

Surrey/Kingston & Richmond

If you are interested in joining the LMC, please contact me on (julius.parker@sslmcs.co.uk); in particular the LMC has a number of vacancies in each LMC, where co-option prior to the four yearly election cycle may be an option.

With best wishes.

Yours sincerely
