

GP Contract Agreement 2018/19

Attached is a letter outlining the GP Contract Agreement details for 2018/19. As in previous years these include both contractual changes and also a series of non-contractual agreements to work with NHS England on areas which are likely to be introduced in 2019/20, including both the GP Indemnity Scheme and changes to QOF. All the changes included within the letter will apply to both GMS and PMS practices.
