Briefing Summary for Practices:

Surrey Heartlands Locally Commissioned Services 2024

SHLCS-A01-2024-ADHD	ADHD in CYP aged 6-17 years old and stable patients transitioned into Adult services 18-25y
KEY ELEMENTS	➢ Split into 2 cohorts **Cohort 1** ➢ Fully stable on medication (+/- melatonin), no comorbidities, suitable for 6/12 review ➢ Technically discharged with "Open Access" ➢ 6 monthly physical review - height/weight/appetite/BP/pulse/psych symptoms ➢ Annual medication review in addition to physical review – check SEs etc., as per Spec **Cohort 2** ➢ Treated for other Neuro Developmental (ND)/MH comorbidity, more complex/safeguarding, or 1st year meds before being eligible to join cohort 1 ➢ Remain as Shared Care ➢ One holistic review per year - height/weight/appetite/BP/pulse/psych symptoms ➢ Findings to be emailed back to CYPND Service (template provided in Specification) ➢ Alternates 6 monthly with Specialist Review
OF SPECIAL NOTE	➢ Clear pathway diagrams available within the discharge agreement attachment ➢ Need register and robust call & recall system, with clear SOP for managing DNAs ➢ **ONLY available to SABP patients, (commissioners are exploring whether this could be extended to other providers in the future.** ➢ **Having read the spec, in full, if you feel unable to provide this service, for whatever reason, please explore collaboratively working, either through the PCN or sub-contracting with the federation.**
RISKS	➢ Clear criteria & pathway for escalation back into CYPND are in place ➢ Must include reason & medication details (inc. how much CYP has left) ➢ A&G to be sent via eRS with 72hr acknowledgement and contact within 5 days ➢ Holding CYP to account if they do not attend
PRACTICE CONSIDERATIONS	➢ When a GP / primary care prescriber prescribes, they are the fully responsible clinician. ➢ Make sure Clinicians are aware of the requirements and responsibilities for each review ➢ Info on managing abnormal results embedded in PAD ➢ Consider template letter for DNA reiterating consequences ➢ Consider review of escalation processes when used – failure of SABP to comply with the Spec may result in Practices wishing to terminate participation in this LCS
PRICING	➢ Annual review Cohort 1 - **£102.53** ➢ 6-month review Cohort 1 - **£69.58** ➢ Annual review Cohort 2 - **£69.58** ➢ Pricing allows for annual update training - The training hub will co-ordinate training needs
