Dear Colleagues,

27 June 2025

**Re: Invitation to Sign Up for Tirzepatide for Weight Management Locally
Commissioned Service (LCS)**

Dear Colleagues,

We are pleased to invite your practice to participate in the NHS Surrey Heartlands ICB Tirzepatide for Weight Management Locally Commissioned Service (LCS).

Key Information:

- **Sign-Up:** Please indicate in the table in Appendix A (Below), your practice's preferred delivery model and return your completed, signed Appendix A to syheartlandsicb.pccontracts@nhs.net
- **Collaboration/Buddying/Sub-Contracting:** Practices can choose to deliver the LCS independently, collaboratively within their PCN, buddy to a practice outside of their PCN or subcontract. Please note, any collaboration, buddying and/or sub-contracts will be subject to Integrated Care Board (ICB) approval.
For the purposes of this LCS buddy or sub-contracting arrangements the specified patient cohort /eligibility criteria remains.
- **Upcoming Webinar:** A discussion will take place at the monthly ICB/LMC webinar which will be held on the evening of **Wednesday 2nd July 2025**, colleagues will be available to provide further information about the LCS and answer questions you may have.
- **Ardens Support:** Templates and resources to support delivery are available via the Surrey Heartlands Ardens dashboard. For assistance, please contact support@ardens.org.uk.

We encourage all practices to take advantage of this opportunity to support patients in managing their weight and improving health outcomes.

Please find embedded the full Tirzepatide for Weight Management Locally Commissioned Service (LCS)
